

Above all else, we want to know the Lord. In recent months, we've been reminded afresh of the need to seek that which is eternal. So, for 40 days, let's seek Him together—to grow in Him.

**Scripture**—Each day will have a Scripture for reading and meditation. Read it. Think on it. Ask God to work it into your soul.

**Prayer**—Each day will also have a suggested area of the church or community for which we'll pray. Take it to your Father.

**Fasting**—If you are able, consider fasting from a meal each week in order to spend it in prayer. Prompts will be placed on each Wednesday. If another day works better, go for it.
